Dear Jean,

Jean Mabry

Dear Jean,

How right you are skool is almost out! In a way I will be glad too! I shall miss old Sarah next year, won't you? Foolish question! Jean, I'll never forget the good times we've had together! Especially the day we stayed at school and made pimento cheese sandwiches. Since we were real careful in making them. Have you heard of any deaths since the party? And what a party! As you said we've never doubled-dated much! But of the times we have! I pity any boy that dates us, especially when we double-date! I hope we get to double-date a lot more though.

Jean, you are a real sweet kid! (At times) Stay as sweet as you are now and you'll always be loved! Well I guess I've lied as much as I can for one day!! (ha! ha!)

Love ya,
Janice

Dear Jean,

I sure hope had a good time this year and I guess you know what I mean. We sure will miss Sarah next year and we won't have as much fun next year as we did when she was here. But we will have fun. I guess you will have to learn how to drive so we can get a car. Whose car? Anyway we can try. We can walk to the show five times a week. HA and see all those good shows. Be sweet and good if possible and take care of me.

Love
Jim Evelyn
Mack

Jean,

You are "real crazy". But I like you very much. School is just about out, but study hard for those examinations coming up (and remember me). Best of Luck to you and (nobody in particular)

yours till the ocean wears rubber pants to keep its bottom dry

Love ya,

Foreword

In the 1955 PANORAMA we, the staff, have tried to depict in lasting form the highlights of the first Chapman High School Year . . . not an ordinary year.

As you turn the pages, we hope that many happy memories will "come to life" before your eyes. In an effort to recapture these memories the staff has done its best to give you outstanding glimpses of the happenings of the school year.

It is our desire that in the years to come you will look back with pleasure upon the days spent at your Alma Mater, CHAPMAN HIGH SCHOOL.

A High School Is Born

Soon after Spartanburg County was redivided into seven school districts, plans were begun for a District 1 High School to replace the then existing high schools, Campobello, Gramling, Holly Springs, Inman, and New Prospect.

The superintendent, Mr. T. E. Mabry, and his board of able trustees accepted a twenty-two-acre tract of land donated by Inman Mills, of which the late Mr. James Alfred Chapman was founder.

Construction on the building was started the summer of 1953 by the T. C. Brittain Construction Co. of Decatur, Georgia, and completed at a cost of approximately $500,000 in time for the opening of the 1954-1955 school session. Mr. Harold Woodward and associates were architects.

The plant faces the Asheville Highway. The front consists of the administration wing, a classroom wing and library, and a spacious lobby. A modern gymtorium with six exits is centrally located. A wide hall connects the front of the building with the rear wing, housing the commercial department, science laboratory, home economics department, cafeteria, band room, and one other class room. Rest rooms and a teachers' lounge are conveniently located in each wing.

Two annexes with covered walkways house the agricultural department, projection room, one class room, shop, and canteen.

Paved walks surround the building, and between the wings there is a court with a refreshing fountain. Parking space is provided in front of and behind the building.

Chapman High School was formally dedicated to the memory of the late James Alfred Chapman and in honor of his family on December 13, 1954. Mr. Chapman's three children, James A. Chapman, Robert H. Chapman, and Mrs. Laura Chapman Jackson, were platform guests. Other relatives sat in a group in the audience.

Music for the dedication ceremony was furnished by the high school glee club under the direction of Mr. James McMakin.

Taking part on the program were Mr. Mabry, Mr. John C. Bell, and Mr. T. D. Stilwell.

Mr. Stilwell performed the formal dedication. Mrs. Paul Alverson sang "Bless This House."

Alma Mater

Where the mountains smile in grandeur
'Neath the azure sky,
Reigns our cherished Alma Mater,
Dear ol' Chapman High.

Here her hearts all dream of conquests;
Onward let us go!
Guided by our Alma Mater,
Triumph we shall know.

Chorus:

Alma Mater, Alma Mater,
Joyfully we tell
Of her glory and her honor,
Dear ol' Chapman, hail!

"They helped fit

Jean,
I cartinely have enjoyed staying with you this week. I think it was very sweet of you. Hope your love affairs all work out the way you want, I know they will. I want you to come to see me this summer.

A Good Place to Work

Jean,
I'll start off by saying what a great outrageous time I had staying with you & the other three boys. "Don't let the smoke get in your eyes" don't let the boys break your heart & for gosh sakes don't forget it gets hot upstairs without a fan & a little cold cream!

Jean, don't have too many dances & heart & never forget "Roll With Me Henry"!

We rocked the little town & I mean enough for one week so guess I had better hobble along.

Seriously though, Jean you are a great girl and one I'll never forget. Keep your sweet ways & you'll keep them wrapped around your little finger.

Be good & don't do anything I wouldn't do!!!

Love ya,
Carolyn Willis

Jean - To bad we didn't to go to high school together, but we sho' have had fun anyway. Remember the times we slaved together with our batons. Hope you and "Gossipin' Guessie" Donahue have fun Saturday night. Maybe if you come to see me you can date Jimmie Bruner. While you are remembering "the good days" remember the cold-cream jar we drug out every night after everybody was asleep. You be good now.
